Based on the information supplied, we have made a favorable determination on your application identified above.

Continued qualification of the plan will depend on its effect in operation as well as its present form. See section 1.401-1(b)(3) of the Income Tax Regulations. The enclosed Publication 794 describes some events that could occur after you receive this determination letter that would automatically nullify it without specific notice from us. The publication also provides information about filing requirements, the effect of determination letters and plan operations, and the deductibility of contributions. The status of the plan in operation will be reviewed periodically.

If your application covered an amendment only, this letter is an opinion only as to whether the amendment submitted affects the existing status of the qualification of the plan and exemption of the trust. It is not a determination on the continued qualification of the entire plan.

This letter relates only to the status of your plan under the Internal Revenue Code. It is not a determination regarding the effect of other Federal or local statutes.

Please keep this letter in your permanent records.

Sincerely yours,

PAUL NIEDERECKER
