8. Ms. Hampton introduced agenda item ***Quarterly Investment Office Report and Recommendation*** (Video 00:41:30 to 00:49:15). Before turning the floor over to

Mr. Willer, Mr. Lane reported that the Investment Committee met on November 20, 2025, and unanimously approved the retention of a new manager. Mr. Willer, Mr. Caldwell, and Mr. Blaiklock then provided details, noting that the recommendation is to replace Shenkman Capital with Oaktree Capital Management as the manager for the bank loan mandate, representing up to 25% of each portfolio's specialty credit target allocation, pending successful negotiation of the investment management agreement. This investment falls within the Specialty Credit asset allocation and will be distributed across all pension and insurance portfolios.

Mr. Lane made the motion to ratify the Investment Committee's recommendation to replace Shenkman Capital with Oaktree Capital Management as presented, subject to successful negotiations. Mr. Summers V seconded the motion. The motion passed unanimously.

9. Ms. Hampton introduced agenda item ***Quarterly Financial Statements*** (Video 00:49:15 to 01:00:35). Mr. Lamb reviewed the quarterly financial statements as of September 30, 2025, noting that the KRS total fiduciary net position stands at \$10.3 billion, an increase of 13.47% (\$1.2 billion) from the prior year. The three pension plans total \$7.4 billion, up 16.18%, while the three insurance plans total \$2.9 billion, up 7.18%. Investments at fair value rose by 15.09% (\$1.3 billion), with the largest increase in public equities, which grew 18.46% (\$587 million), followed by specialty credit and core fixed income. The Statement of Changes in Fiduciary Net Position showed a first-quarter increase of \$466.6 million, which is 8.02% lower than the same quarter last year due primarily to lower net investment income (\$39 million less) and higher benefit payments (\$7.3 million more), partially offset by increased member and employer contributions. Total contributions for the quarter were \$322.5 million, including \$216.6 million in AALC, up \$6.1 million from the prior year. Net investment income for the pension plans was \$53.6 million, 27.9% higher than last year, while benefit payments totaled \$322 million, up 2.02%. After accounting for investment income, the non-hazardous pension plan had a positive cash flow of \$82.8 million, the hazardous plan was negative \$2.8 million, and the SPRS plan was positive \$1.8 million. Insurance plans showed negative cash flow overall after

investment income. Mr. Lamb concluded by reviewing additional reports, including Past Due Invoices, Penalty Invoices, Budget to Actual Summary Analysis, the hybrid percentage showing how the \$11 million spent in the first quarter has been allocated to the five pension plans, and JP Morgan Chase Interest Earned.

Mr. Chilton commended Mr. Lamb and his team for their work on reformatting and revising procedures related to accounts receivable, noting his appreciation for the improved format and their initiative in enhancing the process.

10. Ms. Hampton introduced agenda item ***Hazardous Duty Requests*** (Video 01:00:35 to 01:02:20). Mr. Surratt reported on hazardous duty position requests. The Kentucky State Police submitted requests for the positions of Pilot and Helicopter Pilot, both effective January 1, 2026. Mr. Summers V seconded the motion. The motion passed unanimously.

11. Ms. Hampton introduced agenda item ***KRS Trustee Education Policy*** (Video 01:02:20 to 01:14:40). Mr. Board reviewed the proposed changes to the KRS Trustee Education Policy, explaining that the revisions aim to provide greater consistency, clarity, and ease of administration for the policy and the trustee education program. The primary change is shifting from an education year based on a trustee's swearing-in date to a calendar year, effective January 1, 2026. All trustees will now follow a calendar-year schedule, and each trustee must complete 12 hours of education annually, with a provision for prorating requirements for trustees appointed or elected midyear. Additional updates include expanding the list of qualifying educational activities to include state ethics code training, clarifying per diem payment procedures, and ensuring trustees receive back pay for any per diems withheld during periods of noncompliance. Mr. Board also addressed requested edits from Ms. Eaves, including clarifying back pay language, specifying the effective date in the definition section, defining attendance as in-person or virtual participation, and

changing terminology from “service credit” to “credit hours.” Ms. Hampton asked if Board Smart courses are still available. Mr. Board noted that licenses are no longer active, and Ms. Surratt said they would explore this further. Ms. Bova confirmed that outside industry education can still count toward credit hours, and Mr. Board agreed. Mr. Adkins made the motion to approve the amendments to the KRS Trustee Education Policy as presented. Mr. Summers V seconded the motion. The motion passed unanimously.

He continues to work with staff on the Securities Trading Policy, which will likely be presented at the next quarterly meeting. Additionally, Ms. Hampton, Mr. Lane, and Mr. Chilton met with CERS management to discuss coordination efforts; no conclusions were reached, and details will be reported later. Ms. Hampton noted that both boards agreed to draft areas of agreement and disagreement for further discussion.

13. Ms. Hampton introduced agenda item ***KPPA Executive Director Report*** (Video 01:16:04 to 01:23:01) Mr. Barrow provided six key updates. First, regarding administrative and staffing changes, Erin Surratt has been appointed KPPA Deputy Executive Director. She will oversee Communications, Procurement & Office Services, Enterprise and Technology Services, and the Administrative Hearings Branch, while continuing to manage the Office of Benefits during the transition. Mike Lamb, Chief Financial Officer, will now oversee Compliance, Employer Reporting, Compliance and Education (ERCE), and Accounting, and has moved to the Executive reporting level.

Next, Mr. Barrow reported on strategic plan initiatives. The Strategic Planning Committee held its first meeting to prioritize initiatives for the April release cycle. Phone-based surveys are now fully implemented to improve outreach, the Leadership Academy remains on track for completion in December, IT Assessment activities will expand in January for a comprehensive review, the Paper Check Reduction Team is developing recommendations to reduce monthly check volume, and the Self-Service Mirroring Team

will launch in January to allow counselors to view the same screens as members.

Mr. Barrow also addressed trustee education and training, emphasizing that items requiring further discussion or additional training will be added to future board or committee agendas to ensure continued learning opportunities. He noted that he and Erin Surratt presented the Retiree Health Update to the Public Pension Oversight Board on September 23. Additionally, Mr. Barrow highlighted the success of the inaugural KPPA Trustee IMPACT Forum, which included participation from Sen. Jimmy Higdon and Rep. Walker Thomas, who spoke on the history of PPOB and its positive impact on retirement plan administration.

Mr. Barrow provided an update on the Louisville investment office. The Department of Housing, Buildings & Construction has approved renovation plans. After renovations and final inspection, the Director of Real Properties will sign the lease upon confirmation that all specifications are met, after which planning for the move-in phase will begin.

Finally, Mr. Barrow recognized achievements and events. He congratulated Mike Lamb's team for their contributions that helped Kentucky Retirement Systems and County Employees' Retirement System earn the 2025 Public Pension Standards Award for Funding and Administration, presented by the Public Pension Coordinating Council for meeting the highest professional standards in plan funding and administration. He also commended Liza Welch and her team for hosting KPPA's 12th Veterans Day Lunch on November 13 to honor coworkers and leaders who are veterans, an event that reflects the pride of the entire staff.

14. Ms. Hampton introduced agenda item ***New Business*** (Video 01:23:01 to 01:23:04). There was no new business brought before the Board.
15. Ms. Hampton introduced agenda item ***Closed Session*** (Video 01:23:04 to 01:24:15) and requested a motion to enter closed session to discuss pending litigation pursuant to KRS 61.810(c). A motion was made by Mr. Peercy and seconded by Mr. Summers V. The motion passed unanimously.
