House Bill 358

[House Bill 358](#) was passed by the General Assembly on March 28, 2019. Yesterday, the Governor vetoed the bill, voiding House Bill 358 in its entirety.

This means effective July 1, 2019, quasi-employers will pay the same 83.43% employer contribution rate as other KERS nonhazardous employers unless legislation is enacted prior to July 1, 2019 changing the quasi-employer contribution rate.

The Governor has stated he will call a Special Session of the General Assembly prior to July 1, 2019. [Click here to read the Governor's veto message.](#)
