The Division of Employer Reporting, Compliance and Education is pleased to provide our new Employer Reporting Manual for participating employers. The manual can be accessed on KRS' website by clicking [here](#).

This manual includes comprehensive information about the monthly reporting process and requirements, and is the first source of reference in answering your questions about monthly reporting. KRS will update the Employer Reporting Manual as policy and legislative changes occur, so we encourage you to check back regularly for new information. If you have any questions regarding the manual, please visit our [Employer Contacts Page](#).
