

Kentucky Retirement Systems' redesigned website debuts today! You can still find us at <https://kyret.ky.gov/> with a new look and improved navigation. Employer Self Service (ESS) will look different the next time you login, but there is no change in how the site operates.

Welcome to Employer Self Service!

From the new [KRS homepage](#), you can quickly navigate to the [Employers section](#) of our site by using the menu at the top or click on any link under Employers to go directly to a featured page. The LOGIN button at the top of the screen takes you to the ESS login with just two clicks.

As part of the redesign, we have expanded our document library and consolidated menu options so you can easily find what you're looking for. Our new [Resources section](#) includes a library where you can find the Employer Reporting manual, newsletters and forms.

Please [share your feedback](#) with us as you begin to use the new site!
