Instructions for Completing Form 6776

Pursuant to KRS 164.952 prior to hiring a retired police officer, postsecondary institutions must disclose to Kentucky Public Pensions Authority the number of all police officers it employed in calendar year 2018. This number determines the number of retired police officers that may be hired prospectively.

The number of retired police officers a postsecondary institution may hire under the provisions of this section shall be limited to five (5) retired police officers or a number equal to twenty-five percent (25%) of the police officers employed by the postsecondary institution in calendar year 2018, whichever is greater.

If you, as a postsecondary institution desire to hire retired police officers, you **MUST** complete and return this form including the detailed Listing of **ALL** police officers employed for Calendar Year 2018. Attach additional sheets as needed. If employment begin or end dates are not provided, the individual is assumed to have been employed the entire calendar year.

Employer Certification
