SCHEDULE 1
Commitment to Subscribe and payment of Capital Commitment

Commitment to Subscribe for Partnership Interests

1. The Subscriber hereby subscribes for and agrees to purchase limited partnership interests ("Partnership Interests") in the Partnership with a Capital Commitment (or Capital Commitments) in the amount(s) accepted by the General Partner as set forth in each Acceptance of Subscription, each on the terms of the Partnership Agreement and this Subscription Agreement.
2. Upon the General Partner's acceptance of this Subscription Agreement (in part or in full and including pursuant to one or more Acceptances of Subscription) and the General Partner's execution on behalf of the Subscriber of a counterpart to the Partnership Agreement (and the listing of the Subscriber as a Limited Partner on Exhibit A to the Partnership Agreement or otherwise in the books and records of the Partnership), the Subscriber will be admitted to the Partnership as a Limited Partner. The Subscriber agrees to be bound by all the terms and provisions of the Partnership Agreement. For avoidance of doubt, it is agreed that (i) the General Partner may accept only a portion of the Subscriber's Capital Commitment Application Amount and the Subscriber will be admitted as a Limited Partner only with respect to the amount of the Capital Commitment Application Amount accepted by the General Partner pursuant to an Acceptance of Subscription, and (ii) any portion of the Subscriber's Capital Commitment Application Amount that has not been accepted by the General Partner as a Capital Commitment continues to remain outstanding and may be accepted or not accepted by the General Partner in accordance with the terms of this Subscription Agreement.
3. The Subscriber hereby agrees that this Subscription Agreement is (i) irrevocable upon submission to the General Partner and shall survive and shall not be affected by the subsequent dissolution, bankruptcy or insolvency of the Subscriber or of the Partnership and (ii) conditioned upon acceptance by the General Partner on behalf of the Partnership pursuant to one or more Acceptances of Subscription. Notwithstanding the foregoing, the obligations of the Subscriber hereunder will terminate:
 - 3.1 with respect to all or any part of the Subscriber's Capital Commitment Application Amount, that has not been accepted pursuant to an Acceptance of Subscription delivered to the Subscriber before that date which is the one-year anniversary of the date on which the General Partner acknowledged receipt of delivery of this Subscription Agreement to the General Partner; or
 - 3.2 if the General Partner consents (in writing) to the Subscriber revoking its Subscription Agreement (in part or in full and regardless of whether or not an Acceptance of Subscription has been given by the General Partner to such Subscriber).
4. In addition to the circumstances set forth in Sections 3.1 and 3.2 with respect to the termination of the Subscriber's obligations under this Subscription Agreement, the Subscriber shall be permitted to revoke all or any portion of its Unfunded Capital Commitment by delivering 30 days' prior written notice to the General Partner setting forth the amount of any Unfunded Capital Commitment to be revoked (a "**Revocation Notice**"); provided that (i) the Subscriber may not deliver a Revocation Notice more than 30 days' prior

to the Permitted Revocation Date (as defined below) applicable to the Unfunded Capital Commitment to be revoked and (ii) no Revocation Notice may revoke any Unfunded Capital Commitment called pursuant to a Drawdown Notice delivered by the General Partner prior to the Effective Revocation Date and based upon the General Partner's determination, made reasonably and in good faith, that the capital to be contributed pursuant to such Drawdown Notice will be required to satisfy obligations of the Partnership to be paid within ninety (90) days after the date of such Drawdown Notice.

Subject to the foregoing, each validly submitted Revocation Notice will be effective 30 days following the date of receipt by the General Partner (the "**Effective Revocation Date**"). If the General Partner issues a Drawdown Notice in good faith in respect of all or a portion of the Subscriber's Unfunded Capital Commitment prior to the Effective Revocation Date, the only portion of such Unfunded Capital Commitment that shall be deemed revoked shall be the excess, if any, of (i) the portion of the Unfunded Capital Commitment to be revoked pursuant to the applicable Revocation Notice over (ii) the amount called for contribution by the General Partner under such Drawdown Notice. Each Subscriber acknowledges and agrees that the Unfunded Capital Commitment of the Subscriber may be subject to Drawdown Notice(s) issued in good faith at any time prior to the Effective Revocation Date (including for the avoidance of doubt if the due date for payment of such Unfunded Capital Commitment falls after the Effective Revocation Date) and that the Subscriber will be obligated to fund such amounts.

For purposes of this Section 4, the "**Permitted Revocation Date**" means, the second anniversary of the Acceptance Date for the applicable Unfunded Capital Commitment. The status of the Subscriber as either a non-Founding Investor or Founding Investor shall be determined by reference to box (v) of the relevant Acceptance of Subscription.

Payment of Capital Commitment and Issuance of Partnership Interests

5. The Subscriber will be issued Partnership Interests at a price and in such allocations of Class A Interests and Class B Interests determined in accordance with the Partnership Agreement, at the time each Capital Contribution of the Subscriber is received by the Partnership and thereafter the Partnership will notify the Subscriber of the number and class of Partnership Interests issued with respect to such Capital Contribution.

The Subscriber understands that the Memorandum has not been reviewed by any governmental authority or agency.
2. The Subscriber (i) is a sophisticated investor and has such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of an investment in the Partnership Interests, (ii) is able to bear the risks of an investment in the Partnership Interests, (iii) understands the risks of, and other considerations relating to, a purchase of the Partnership Interests (including, without limitation, the matters set forth under the captions "*Certain Risk Factors*" and "*Certain Potential Conflicts of Interest*" in the Memorandum), (iv) understands that conflicts may arise involving the General Partner and its Affiliates (including, without limitation, the matters set forth under the captions "*Certain Risk Factors*" and "*Certain Potential Conflicts of Interest*" in the Memorandum) and (v) has determined that the purchase of Partnership Interests is suitable and appropriate for the Subscriber (including, without limitation, being consistent with its projected income and investment objectives). The Subscriber understands that it must bear the economic risk of an investment in the Partnership for an indefinite period of time and represents and warrants that it can bear the economic risk of losing its entire investment in the Partnership. The Subscriber understands that (x) the Subscriber's ability to redeem its Partnership Interests is subject to the limitations set forth in the Partnership Agreement and therefore there are limits on the liquidity of the Subscriber's Partnership Interests, (y) there is presently no public market for Partnership Interests (nor is it anticipated that any public market for such Partnership Interests will develop) and (z) the General Partner intends to prevent any such public market from developing. The Subscriber's overall commitment to the Partnership and other investments which are not readily marketable is not disproportionate to the Subscriber's net worth and the Subscriber has no need for immediate liquidity in the Subscriber's investment in Partnership Interests.
3. The Subscriber understands that any wire transfers of the proceeds of any distributions or redemptions sent to the financial institution designated by the Subscriber in box (j) of the Subscriber Information Section or reinvested in accordance with the distribution reinvestment plan of the Partnership Agreement (the "DRP"), if applicable, will constitute payment to the Subscriber and relieve the Partnership and its agents and representatives of any further obligation to the Subscriber with respect to the payment of any such amounts and the Subscriber releases the Partnership from any further obligation with respect thereto. The Subscriber understands that the Partnership or the General Partner may impose such procedures as it deems appropriate before it will accept any change in the registered address, the address designated herein or the account of the Subscriber designated in the Subscriber Information Section.
4. The Subscriber's right to subscribe for Partnership Interests pursuant to this Subscription Agreement is subject to the terms of the Partnership Agreement and this Subscription

Agreement and the representations, warranties, agreements and confirmations contained therein and herein.

5. The Partnership Interests to be acquired pursuant to this Subscription Agreement are being acquired by the Subscriber for its own account, for investment purposes only and not with a view to resale or distribution. The Subscriber was offered the Partnership Interests through private negotiations, not through any general solicitation or general advertising (including, without limitation, any advertisement, article, notice or other communication published in any newspaper, magazine, newsletter, internet forum or similar media or broadcast over television, internet or radio, or any seminar or meeting whose attendees have been invited by means of any general solicitation or general advertising), or through any solicitation by a Person not previously known to the Subscriber in connection with investments generally.
6. The Subscriber has no present intention and no contract, understanding, agreement or arrangement with any Person to Transfer any Partnership Interests, and has no reason to anticipate any change in its circumstances or other particular occasion or event that would cause it to Transfer all or any part of the Partnership Interests for which it subscribes. The Subscriber understands that the Partnership Agreement contains substantial transfer restrictions with respect to the Partnership Interests (including, without limitation, the requirement that the General Partner consent to any Transfer).
7. The Subscriber understands that the Partnership Interests have not been registered under the U.S. Securities Act of 1933, as amended (the "Securities Act"), the securities laws of any state or the securities laws of any other jurisdiction, nor is such registration currently contemplated, and such Partnership Interests are being offered and sold in reliance upon the exemption from registration provided in Section 4(2) of the Securities Act and applicable exemptions under state securities laws. The Subscriber understands that the Partnership and the offering of the Partnership Interests have not been approved, disapproved or passed on by any federal or state agency or commission or by any exchange or other self-regulatory organization. The Subscriber understands and agrees that the Partnership Interests must be held indefinitely unless they are subsequently registered under the Securities Act and any other applicable state or non-U.S. securities laws or an exemption from such registration and the laws covering the sale of Partnership Interests is available. Even if such an exemption is available, the assignability and transferability of the Partnership Interests will be governed by the Partnership Agreement, which imposes substantial restrictions on Transfers. The Subscriber understands that the Partnership does not have any intention of registering any of the Partnership Interests under the Securities Act or any other applicable state or non-U.S. securities laws or of supplying the information that may be necessary to enable the Subscriber to sell its Partnership Interests and that Rule 144 under the Securities Act will not be available as a basis for exemption from registration of any Partnership Interests thereunder. The Subscriber understands that legends stating that the Partnership Interests have not been registered under the Securities Act and any other applicable state or non-U.S. securities laws and setting out or referring to the restrictions on the transferability and resale of the Partnership Interests may be placed on any documents evidencing the Partnership Interests.
8. To the full satisfaction of the Subscriber, the Subscriber has obtained any and all materials that it has requested relating to the Partnership, the offering of the Partnership Interests and the information contained in the Memorandum, and the Subscriber has been afforded the opportunity to ask questions of representatives of the General Partner and the Manager concerning the terms and conditions of the offering and to obtain any additional information necessary to verify the accuracy of any representation or information set forth in the Memorandum, including, without limitation, any tax ramifications related to the Subscriber's

investment in the Partnership. No statement, printed material or other information that is contrary to the information contained in the Memorandum has been given or made by or on behalf of the Manager, the General Partner, the Partnership or any of their representatives to the Subscriber.

9. Other than as set forth in this Subscription Agreement, the Partnership Agreement, the Memorandum and any other separate agreement in writing with the Partnership executed in conjunction with the Subscriber's subscription for Partnership Interests (including any Fund Investor Letter), the Subscriber is not relying upon any other information (including, without limitation, any advertisement, article, notice or other communication published in any newspaper, magazine or similar media or broadcast over television or radio, and any seminars or meetings whose attendees have been invited by any general solicitation or advertising), representation or warranty by the Partnership, any Parallel Fund, the General Partner, any Parallel Fund Operator, the Manager, their respective affiliates and their respective partners, members, directors, officers, employees, agents and representatives (collectively, the "**Covered Persons**") in determining to invest in the Partnership, and the Subscriber understands that the Memorandum, the Partnership Agreement, this Subscription Agreement and any supplements or amendments thereto are not intended to convey tax or legal advice. The Subscriber is aware that any investment returns set forth in the Memorandum or any supplemental letters or materials thereto are not necessarily comparable to or indicative of the returns, if any, that may be achieved on investments made by the Partnership. The Subscriber has consulted to the extent deemed appropriate by the Subscriber with the Subscriber's own advisors as to the financial, tax, accounting, legal and related matters concerning an investment in Partnership Interests and on that basis believes that an investment in the Partnership Interests is suitable and appropriate for the Subscriber.
10. No Covered Person has exercised any discretionary authority or control with respect to the Subscriber's purchase of the Partnership Interests contemplated by this Subscription Agreement nor has any Covered Person rendered any individualized investment advice to the Subscriber based upon the Subscriber's financial circumstances, goals, investment policies, strategy or overall portfolio composition or diversification. In making the investment in the Partnership contemplated by this Subscription Agreement, the Subscriber has relied only on its own experience and expertise or the advice of the Subscriber's own advisors, none of which are affiliated with the Partnership or the General Partner.
11. The Subscriber understands that (i) neither the Partnership nor any Parallel Fund has been registered under the U.S. Investment Company Act of 1940, as amended (the "**Investment Company Act**") and no such registration is currently contemplated and (ii) although the Manager is registered under the U.S. Investment Advisers Act of 1940, as amended (the "**Advisers Act**"), the General Partner is not so registered and no such registration is currently contemplated. The Subscriber understands that it will not be afforded the protections provided to Subscribers in registered investment companies under the Investment Company Act. Except as expressly disclosed in the Subscriber Questionnaire the Subscriber was not formed or reformed (as interpreted under the Investment Company Act) for the specific purpose of making an investment in the Partnership, and, under the ownership attribution rules promulgated under Section 3(c)(1) of the Investment Company Act, no more than one person will be deemed a beneficial owner of the Subscriber's Partnership Interest.
12. If the Subscriber is not a natural person, the Subscriber is duly organized, validly existing and in good standing under the laws of its jurisdiction of organization and has the power and authority to enter into this Subscription Agreement, the Partnership Agreement and each other document required to be or otherwise executed and delivered by the Subscriber in

connection with this subscription for Partnership Interests, and to perform its obligations hereunder and thereunder and consummate the transactions contemplated hereby and thereby, and the Person signing this Subscription Agreement on behalf of the Subscriber has been duly authorized to execute and deliver this Subscription Agreement, the Partnership Agreement and each other document required to be or otherwise executed and delivered by the Subscriber in connection with this subscription for Partnership Interests. If the Subscriber is an individual, the Subscriber has all requisite legal capacity to enter into this Subscription Agreement, the Partnership Agreement and each other document required to be or otherwise executed and delivered by the Subscriber in connection with this subscription for Partnership Interests, and to perform its obligations hereunder and thereunder and consummate the transactions contemplated hereby and thereby. The execution and delivery by the Subscriber of, and compliance by the Subscriber with, this Subscription Agreement, the Partnership Agreement and each other document required to be or otherwise executed and delivered by the Subscriber in connection with this subscription for Partnership Interests or do not and will not result in any material breach of, or default under, any instruments or agreements to which the Subscriber is a party or by which the Subscriber is bound or violate, any law, permit, regulation, order, franchise, judgment, decree, statute or rule by which the Subscriber or any of its properties is bound. This Subscription Agreement has been duly executed by the Subscriber and constitutes, and the Partnership Agreement if and when the Subscriber is admitted as a Limited Partner, will constitute, valid and legally binding agreements of the Subscriber, enforceable against it in accordance with the terms hereof and thereof (except as the enforcement thereof may be limited by (i) bankruptcy, insolvency, moratorium, receivership, reorganization, liquidation and other similar laws relating to or affecting the rights and remedies of creditors generally, (ii) principles of equity (regardless of whether considered and applied in a proceeding in equity or at law), (iii) the law of fraudulent transfer, (iv) public policy and (v) judicial imposition of an implied covenant of good faith and fair dealing). If more than one Person is signing this Subscription Agreement as a Subscriber, each undertaking herein shall be a joint and several undertaking of all such Persons, and the grant of power of attorney herein below to the General Partner shall be a joint and several grant by all such Persons. Actions of any one joint Subscriber pursuant to this Subscription Agreement shall bind all other joint Subscribers. A subscription in joint names creates a joint tenancy with a right of survivorship. The Subscriber agrees to provide, upon the request of and in a form acceptable to the General Partner, among other things, an opinion of counsel as to the authority and power of the Subscriber to enter into this Subscription Agreement and the Partnership Agreement, the binding effect hereof and thereof and the due authorization of the Person signing this Subscription Agreement on behalf of the Subscriber to take such actions on behalf of the Subscriber.

13. If the Subscriber is not a "U.S. Person" within the meaning of Regulation S under the Securities Act (a "Non-U.S. Person") (except for offers and sales to discretionary or similar accounts held for the benefit or account of a non-U.S. Person by a U.S. dealer or other professional fiduciary), then (i) the Subscriber is not acquiring Partnership Interests for the account or benefit of a U.S. Person, (ii) all offers to sell and offers to buy the Partnership Interests were made to or by the Non-U.S. Person while the Non-U.S. Person was outside the United States, and at the time that the Non-U.S. Person's order to buy the Partnership Interests was originated the Non-U.S. Person was outside the United States and (iii) this Subscription Agreement is being executed by the Subscriber outside of the United States.
14. If the Subscriber is a "Benefit Plan Investor" as defined in Section 3(42) of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), which includes an "employee benefit plan" as defined in Section 3(3) of ERISA, that is subject to Part 4 of Title I of ERISA, a "plan" covered by Section 4975 of the Code, or an entity whose underlying

assets include plan assets of either of the foregoing, the Subscriber has so indicated in Section B of the Subscriber Questionnaire.

15. If the Subscriber is a Benefit Plan Investor, a governmental plan, a foreign plan or other employee benefit plan, account or arrangement whether or not subject to the fiduciary provisions of ERISA or Section 4975 of the Code (collectively, with Benefit Plan Investors, referred to as "Plans"), the Subscriber makes the following representations, warranties and covenants:
 - 15.1 The decision to commit assets of the Plan for investment in the Partnership was made by fiduciaries independent of the Partnership, the General Partner, the Manager and any of their respective agents, representatives or affiliates, which fiduciaries (A) are duly authorized to make such investment decision and have not relied on any advice or recommendations of any Covered Person and (B) in consultation with their advisers, have carefully considered the impact of ERISA, the Code and the regulations, rules, procedures and judicial decisions thereunder, to the extent applicable, or any applicable state or local law similar to ERISA or Section 4975 of the Code, on an investment in the Partnership;
 - 15.2 No Covered Person has exercised any discretionary authority or control with respect to the Plan's investment in the Partnership nor has any Covered Person rendered individualized investment advice to the Plan based upon the Plan's investment policies or strategies, overall portfolio composition or diversification with respect to its commitment to invest in the Partnership and the investment program thereunder;
 - 15.3 The Subscriber acknowledges and agrees that it is intended that the Partnership will not hold plan assets of the Plan and that no Covered Person will be acting as a fiduciary to the Plan under ERISA, the Code or any applicable federal, state or local law governing the Plan with respect to either (A) the Plan's purchase or retention of its investment in the Partnership or (B) the management or operation of the business or assets of the Partnership. It also confirms that, assuming the Partnership does not hold "plan assets" subject to ERISA, there is no rule, regulation or requirement applicable to the Subscriber that is inconsistent with the foregoing description of the Partnership, the General Partner and the Manager;
 - 15.4 Assuming the assets of the Partnership are not deemed to be "plan assets" subject to ERISA, the execution and delivery by the Plan, and compliance by the Plan with this Subscription Agreement and the Partnership Agreement (including all appendices, attachments or exhibits hereto or thereto) and each other document required to be, or that is otherwise, executed and delivered by the Plan in connection with this subscription for Partnership interests, and the contemplated investment program and operations of the Partnership, do not conflict with, or constitute a default under, any instruments or applicable guidelines governing the Plan, any applicable law, regulation or order, or any agreement to which the Plan is a party or by which the Plan is bound. The Subscriber shall promptly advise the Partnership in writing of any changes of which it becomes aware in any governing law or any regulations thereunder or interpretations thereof affecting the duties, responsibilities, liabilities or obligations of any Covered Person with respect to the Plan. This Subscription Agreement has been duly executed by the Plan and constitutes, and the Partnership Agreement when the Plan is admitted as a Limited Partner will constitute, a valid and legally binding agreement of the Plan enforceable against the Plan in accordance with the terms hereof and thereof (except as the enforcement thereof may be limited by (i) bankruptcy, insolvency, moratorium, receivership, reorganization, liquidation

and other similar laws relating to or affecting the rights and remedies of creditors generally, (ii) principles of equity (regardless of whether considered and applied in a proceeding in equity or at law), (iii) the law of fraudulent transfer, (iv) public policy and (v) judicial imposition of an implied covenant of good faith and fair dealing);

- 15.5 If pursuant to the Partnership Agreement, the General Partner elects to direct the Capital Contributions of Benefit Plan Investors into an escrow account that is intended to comply with Department of Labor Advisory Opinion 95-04A, each Benefit Plan Investor acknowledges and agrees that the escrow agent, as the agent of the Benefit Plan Investor, may invest the funds in such escrow account in money-market funds, bank deposit accounts and other similar investments intended to provide for the preservation of capital;
 - 15.6 Assuming the assets of the Partnership are not deemed to be "plan assets" subject to ERISA, it represents and warrants that its acquisition and holding of Partnership Interests will not result in or give rise to a non-exempt "prohibited transaction" under ERISA or Section 4975 of the Code;
 - 15.7 The Subscriber (i) represents and warrants that the information provided in Section B of the Subscriber Questionnaire is true and correct as of the date hereof, (ii) covenants that such information will remain true and correct for so long as the Subscriber holds Partnership Interests in the Partnership and (iii) agrees to immediately notify the Partnership if it has any reason to believe that it is or may be in breach of the foregoing representation and covenant; and
 - 15.8 The Subscriber agrees that it will provide additional information reasonably requested by the Partnership, the General Partner or the Manager for purposes of compliance with applicable law.
16. The Subscriber represents, warrants and acknowledges as described below.
- 16.1 The Subscriber acknowledges that Federal regulations and Executive Orders administered by the U.S. Treasury Department's Office of Foreign Assets Control ("OFAC") prohibit, among other things, the engagement in transactions with, and the provision of services to, certain foreign countries, territories, entities and individuals (each a "Prohibited Subscriber"). The lists of OFAC prohibited countries, territories, Persons and entities and Executive Order 13224, (Sept. 24, 2001), "Blocking Property and Prohibiting Transactions with Persons Who Commit, Threaten to Commit, or Support Terrorism" can be found on the OFAC website at <<http://www.treas.gov/offices/eofac/ofac>>. In addition, the programs administered by OFAC prohibit dealing with individuals or entities in certain countries regardless of whether such individuals or entities appear on the OFAC lists. Furthermore, the U.S. Treasury prohibits certain dealings with countries and organizations designated under Section 311 of the USA PATRIOT Act¹ as warranting special measures due to money laundering concerns, which jurisdictions can be found on the FinCEN website at <<http://www.fincen.gov/>>. The Subscriber should check the OFAC and FinCEN websites before making the following representations: (i) the Subscriber represents

¹ "USA PATRIOT Act" means the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism (USA PATRIOT) Act of 2001 (Pub. L. No. 107-56). The jurisdictions warranting special measures include, but are not limited to, those found at <http://www.fincen.gov/pub_main.html>.

and warrants that, to the best of its knowledge, the amounts contributed by it to the Partnership were not and are not directly or indirectly derived from activities that may contravene federal, state or international laws and regulations (including, without limitation, anti-money laundering laws and regulations); and (ii) the Subscriber represents and warrants that, to the best of its knowledge, none of (A) the Subscriber, (B) any Person, directly or indirectly, controlling, controlled by or under common control with the Subscriber, (C) if the Subscriber is a privately held entity, any Person having a beneficial interest in the Subscriber or (D) any Person for whom the Subscriber is acting as agent or nominee in connection with this investment in Partnership Interests, is a Prohibited Subscriber. Please be advised that the Partnership may not accept any amounts from a prospective Subscriber if such prospective Subscriber cannot make the representation set forth in this paragraph. If an existing Subscriber cannot make these representations, the Partnership may require the withdrawal of such Subscriber from the Partnership.

- 16.2 The Subscriber acknowledges and agrees that any distributions to it will be paid to the Subscriber's bank account specified in box (j) of the Subscriber Information Section (or reinvested pursuant to the terms of the DRP as applicable), which will be the same account from which payments will be made by the Subscriber to the Partnership, unless the General Partner agrees otherwise. If the Subscriber or beneficial owner of the investment in the Partnership Interests is a non-U.S. banking institution, the Subscriber represents and warrants that it is not a prohibited "shell bank" as defined by the USA PATRIOT Act Regulations. The Subscriber represents and warrants that (i) it is not (x) a politically exposed person² (a "PEP"), (y) an immediate family member³ of a PEP, or (z) a close associate⁴ of a PEP as such terms are defined in the footnotes below, (ii) either each related Person does not meet the criteria of clauses (x), (y) and (z) above or the Subscriber has performed enhanced due diligence on any related Person that does meet the criteria of clauses (x), (y) and (z) above, and (iii) the Subscriber has determined that the funds being invested by the Subscriber in the Partnership do not come from corruption. The Subscriber represents and warrants that the Subscriber (A) has conducted thorough due diligence with respect to all of its beneficial owners, (B) has established the identities of all beneficial owners and the source of each of the beneficial owner's funds and (C) will retain evidence of any such identities, any such source of funds and any such due diligence. The Subscriber further represents and warrants that the Subscriber does not know, nor have reason to suspect that (x) the monies used to fund the Subscriber's investment in the Partnership Interests have been or will be derived from or related to any illegal activities (including, without limitation, money laundering activities) and (y) the proceeds from the Subscriber's investment in the Partnership Interests will be used to finance any illegal activities.

² A "politically exposed person" is defined as a current or former senior official in the executive, legislative, administrative, military or judicial branches of a government (whether elected or not), a senior official of a major political party, or a senior executive of a government-owned corporation. In addition, a "politically exposed person" includes any corporation, business or other entity that has been formed by, or for the benefit of, a political figure.

³ "Immediate family" of a PEP typically includes the figure's parents, siblings, spouse, children and in-laws.

⁴ A "close associate" of a PEP is a person who is widely and publicly known to maintain an unusually close relationship with the PEP, and includes a person who is in a position to conduct substantial financial transactions on behalf of the PEP.

- 16.3 The Subscriber agrees to notify the Partnership promptly should the Subscriber become aware of any change in the information set forth in these representations. The Subscriber is advised that, by law, the Partnership may be obligated to "freeze the account" of the Subscriber, by prohibiting additional investments from the Subscriber, declining any withdrawal requests from the Subscriber, withholding distributions to the Subscriber and/or segregating the assets in the account in compliance with governmental regulations, and the Partnership may also be required to report such action and to disclose the Subscriber's identity to OFAC. The Subscriber further acknowledges that the General Partner may, by written notice to the Subscriber, suspend the payment of withdrawal proceeds to the Subscriber or take such actions as permitted by the Partnership Agreement if the General Partner reasonably deems it necessary to do so to comply with anti-money laundering regulations applicable to the Partnership or any of the Partnership's other service providers. The Subscriber agrees to provide any additional information deemed necessary by the General Partner to comply with the USA PATRIOT Act and other anti-money laundering laws.
17. The Subscriber understands that the Partnership and any Parallel Fund have entered into and intend to enter into separate subscription agreements (the "**Other Subscription Agreements**") with other Subscribers in the Partnership or such Parallel Funds ("**Other Subscribers**"). This Subscription Agreement and the Other Subscription Agreements are separate agreements, and the sale of Partnership Interests to the Subscriber interests in the Parallel Funds to the Other Subscribers shall be deemed separate sales.
18. Neither the Subscriber nor any Person having a direct or indirect beneficial interest in the Subscriber is a trust permanently set aside or to be used exclusively for the purposes described in Section 642(c) of the Code.
19. The Subscriber understands that it is not entitled to cancel, terminate or revoke this Subscription Agreement (except as set forth in Section 4 of **Schedule 1**) or any agreements of the Subscriber hereunder, and that this Subscription Agreement and such other agreements shall survive changes in the transactions, documents and instruments described in the Memorandum (regardless of whether such changes are contemplated by the Memorandum).
20. Beginning upon the date hereof and during any period that the Subscriber indirectly owns an equity interest in each Subsidiary REIT (the "**REIT Shares**") through its ownership of Partnership Interests in excess of the ownership limitations set forth in the governing documents of each Subsidiary REIT, no Person who is treated as an individual under Section 542(a)(2) of the Code (determined after taking into account Section 856(h) of the Code) that is a direct or indirect member of the Subscriber Beneficially Owns, or in the future will Beneficially Own, as a result of the Subscriber's REIT Shares, REIT Shares in excess of the ownership limitations set forth in the Limited Liability Company Agreement or other governing document of each Subsidiary REIT. For purposes of this representation, "Beneficially Owns" shall mean ownership by a Person who would be treated as an owner of the Subscriber either directly or constructively through the application of Section 544 of the Code, as modified by Section 856(h) of the Code.
21. Except as disclosed to the Partnership and the General Partner on **Schedule 5** hereto, beginning upon the date hereof and during any period that the Subscriber owns Partnership Interests, none of the direct or indirect owners of the Subscriber are, or will be, "foreign persons" (for purposes of Section 897(h)(4)(B) of the Code).

22. If the Subscriber is (or is owned by) a fund of funds, the Subscriber represents and warrants that no class of the Subscriber's securities, or securities of such fund of funds (or a subsidiary thereof) that owns the Subscriber, is listed on any public exchange, and neither the Subscriber nor a fund of funds (or a subsidiary thereof) that owns the Subscriber will seek to list any class of the Subscriber's (or its) securities on any public exchange without the prior written consent of the General Partner.
23. If the Subscriber is acting as trustee, agent, representative or nominee for an underlying subscriber: (a) the Subscriber understands and acknowledges that the representations, warranties and agreements made herein are made by the Subscriber (i) with respect to the Subscriber and (ii) with respect to such underlying subscriber; and (b)(i) the Subscriber has delivered the Memorandum, this Subscription Agreement and the Partnership Agreement to such underlying subscriber and the Subscriber shall promptly deliver to such underlying subscriber any supplements or amendments to any such documents that are delivered to the Subscriber, (ii) the Subscriber has all requisite power and authority from such underlying subscriber to execute and perform the obligations and make the representations and warranties set out in this Subscription Agreement and (iii) if the Subscriber is not purchasing Partnership Interests for the Subscriber's own account, the Subscriber agrees to provide any additional documents and information that the General Partner reasonably requests.
24. The Subscriber acknowledges that the General Partner or an Affiliate may enter into agreements with placement agents and with third party distribution agents providing for a payment from the General Partner, its Affiliate or the Partnership (subject to any limitations in the Partnership Agreement) of a one-time or ongoing fee based in whole or part upon the amount of the capital contribution or capital commitment of any Subscriber introduced to the Partnership or any Parallel Fund by the placement agent or the third party distribution agent. The Subscriber agrees that any such placement agent and third party distribution agent shall be an intended third party beneficiary of each of the Subscriber's representations made pursuant to this Subscription Agreement.
25. The Subscriber understands that, except as otherwise specifically set forth in the Partnership Agreement, the Limited Partners have no right to amend or terminate the Partnership Agreement or to appoint, select, vote for or remove the General Partner or its agents or to otherwise participate in the business decisions of the Partnership or otherwise in connection with the Partnership assets.
26. The Subscriber, if an entity, hereby agrees to notify the General Partner prior to any dissolution, liquidation or termination of the Subscriber and further agrees not to effect any such dissolution, liquidation or termination at any time it has an Unfunded Capital Commitment under the Partnership Agreement and its Partnership Interests have not been redeemed. The Subscriber, if a natural person, hereby agrees to use its best efforts to ensure that its estate, and any guardian that might be appointed in the event of an adjudication of incapacity, is instructed to notify the General Partner of such occurrence.
27. If the Subscriber is a natural person (or an entity that is an "alter ego" of a natural person (e.g., a revocable grantor trust, an individual retirement account or an estate planning vehicle)), the Subscriber has carefully read the General Partner's privacy notice attached as **Schedule 8** hereto.
28. The Subscriber has not altered or otherwise revised this Subscription Agreement or any of its Schedules in any manner from the version initially received by the Subscriber, except for such alterations that have been clearly marked on this Subscription Agreement or any such Schedule or otherwise specifically identified in writing to the General Partner.

SCHEDULE 3
