ATTENTION ALL HAZARDOUS DUTY RETIREES

YEARLY REQUIREMENT!
Hazardous duty retirees MUST submit a Form 6256 in order for eligible spouse and dependents to receive health insurance contribution every year.

You must submit the Form 6256 with your health insurance application. If the Form 6256 is submitted late you will receive reimbursement of premiums for the 90 days prior to the receipt of the Form 6256 in Plan Year 2018.

Example: If you submit the form June 3, 2018 you will receive reimbursement for March – May 2018.

See page 35 for more information.
**Form 6200 Health Insurance Application**

For insurance coverage to begin the same month as your retirement payment, you must file a Form 6200 with our office by the last day of the month prior to the month you retire. If you miss the deadline, you will be placed on the default plan. New Retirees are allowed to change their health insurance plan coverage within the first month of their retirement.

**For example:**

<table>
<thead>
<tr>
<th>Retirement Date</th>
<th>Form 6200 Due By</th>
<th>Insurance Effective Date</th>
</tr>
</thead>
<tbody>
<tr>
<td>May 1</td>
<td>April 30</td>
<td>May 1</td>
</tr>
</tbody>
</table>

If you miss the above deadline, you can still submit a Form 6200. Your Form 6200 must be filed with our office by the last day of the month in which you retire.

**For example:**

<table>
<thead>
<tr>
<th>Retirement Date</th>
<th>Form 6200 Due By</th>
<th>Insurance Effective Date</th>
</tr>
</thead>
<tbody>
<tr>
<td>May 1</td>
<td>May 30</td>
<td>June 1</td>
</tr>
</tbody>
</table>

**Please remember**

- If you do not return a health insurance application either waiving coverage or selecting a plan, you will be defaulted into a single health insurance plan.
- Your retirement can be effective without insurance coverage.
- You are responsible for filing your insurance application by the due date.
- Documentation for health insurance dependents/spouse is required.
- Waiting until the last minute to file an application will cause delays in receiving your insurance card and accessing benefits.

If you miss both deadlines you will remain in the default health insurance single plan and are ineligible to select a new health insurance plan until the next plan year or unless you experience a qualifying event.
Insurance for retirees & beneficiaries
KRS provides group medical insurance for retired members. Participation in the insurance program may be waived at the time of retirement or during open enrollment. KRS provides access to group health insurance coverage through the Kentucky Employees Health Plan for recipients until they become eligible for Medicare. After a recipient becomes eligible for Medicare, coverage is available through a Medicare eligible plan offered by KRS.

In order to cover a spouse or dependent on a plan the retiree must also be enrolled and covered by a KRS plan. If a retiree waives coverage, the spouse and/or eligible dependents cannot be enrolled in the KRS Health Insurance Plans.

Members enroll in the appropriate insurance plan upon retirement by completing the proper KRS Forms (Note: if a waiver of health insurance coverage is not received by KRS, you will be defaulted into a health insurance plan at the single level of coverage). In order for insurance to be effective during the first month of retirement, all insurance forms and required documents must be filed with KRS the month before the first monthly benefit is issued. If your insurance forms are filed at KRS during the month in which your first monthly benefit is issued, insurance coverage will be effective the following month. After initial enrollment, members may only make changes to their coverage selections during the annual open enrollment period. Members who experience certain qualifying events may be eligible to make changes throughout the year.

Waiver of health insurance coverage
If a retiring member chooses to waive insurance coverage through KRS, the contribution KRS would have paid toward insurance is forfeited and coverage through KRS cannot be obtained until the next annual Open Enrollment period unless a qualifying event occurs.

If you or your dependents become eligible for Medicare
If you or your eligible dependents become eligible for Medicare due to age or disability, you should contact the retirement office for information concerning health insurance options. The Medicare eligible individual and other covered individuals may be required to complete new applications. Anyone covered by a Medicare eligible plan through the retirement office should obtain both Parts A and B of Medicare through the Social Security Administration in order to have full medical insurance coverage. As soon as you know that you or an eligible dependent will become Medicare eligible, contact the retirement office to discuss your insurance options.

Did You Know...
In order for insurance to be effective during the first month of retirement, all insurance forms and required documents must be filed with KRS the month before the first monthly benefit is issued.

Unless you waive coverage, you will be defaulted into a single plan and can only be changed at Open Enrollment or a qualifying event.
Do not send your completed application anywhere except to KRS for processing.

If you send your application somewhere other than to KRS, you may fail to receive the requested change to your coverage or you could lose eligibility by not meeting the required deadline.

Employment After Retirement

Please be advised that under the Medicare Secondary Payer (MSP) Act, in certain circumstances, a Medicare eligible retiree’s reemployment with a participating agency of Kentucky Retirement Systems will PROHIBIT Kentucky Retirement Systems from offering or continuing to offer retiree coverage under the Humana Medicare Advantage Plan. Please call KRS if you have questions. You should also contact Medicare if you have questions.

If your active employment makes you eligible for insurance coverage and you are not Medicare eligible, you must decide if you wish to carry your coverage through KRS or your employer. If you want to move your coverage from KRS and carry insurance through your employer, you need to submit an application to KRS indicating you will waive coverage and submit an application to your employer by the KRS enrollment due date or during your employer’s enrollment period.

If the retiree has an initial participation date with KRS on or after September 1, 2008 and is reemployed after retirement in a regular full-time position, the employee will not be eligible for health insurance coverage through KRS and will be required to take health insurance coverage through his employer during the period of reemployment.

If the retiree is Tier 1 and is reemployed in a regular full-time position, the retiree may enroll in health insurance through his employer or through KRS. If the retiree enrolls in health insurance through KRS, his employer will be billed for the single contribution rate premium.

HAZARDOUS DUTY RETIREES WITH HEALTH INSURANCE DEPENDENTS

Form 6256 should be submitted with the health insurance application if covering spouse and eligible dependents.

You must file a FORM 6256 every year. You need to provide eligibility documentation for your dependent(s).

Hazardous duty retirees MUST submit a Form 6256 in order for legal spouse and eligible dependents to receive health insurance contribution. If you fail to submit the Form 6256, YOU WILL NOT RECEIVE PREMIUM CONTRIBUTIONS for your spouse or dependents. See page 35 for more information.
What You Need to Know for 2018

The LivingWell Promise –
The KEHP began the LivingWell Promise in 2014. Each year since then, more members have become aware of their health status and the benefits of health and wellness. In fact, members have collectively dropped their Go365 Age by half a year!

If you enroll in either the LivingWell CDHP or the LivingWell PPO for 2018:
• You must take the Go365 Health Assessment (HA) or get a Biometric Screening;
• YOU MUST FULFILL YOUR PROMISE WITHIN 90 DAYS by completing the Go365 Health Assessment OR Biometric Screening

You do not have to complete both the Go365 HA and Biometric Screening, but if you do, you will receive additional Go365 Points. See page 16 for Go365 information.

If you have the cross-reference payment option:
• You and your spouse must both fulfill the LivingWell Promise;
• If only one of you fulfills the Promise, then the other person will be responsible for the $40.00 LivingWell fee in 2019; and
• You and your spouse can each choose separately how you fulfill the LivingWell Promise, whether by taking the Go365 HA or getting a Biometric Screening.

What is the LivingWell Fee?
If you selected the LivingWell PPO or LivingWell CDHP for 2017 and FAILED to complete the LivingWell Promise (complete the online health assessment or biometric screening) you will be responsible for paying an additional $40.00 LivingWell fee every month in 2018 if you select a LivingWell plan. The retiree/planholder/beneficiary will be responsible for paying the fee even if they have 100% contribution (retiree with 240 months or greater.)

What are Tobacco User Fees?
The Commonwealth of Kentucky is committed to fostering and promoting wellness and health in the workforce. You are eligible for the non-tobacco user premium contribution rates provided you certify that you and any other person to be covered under your plan has not regularly used tobacco within the past six months.

• “Regularly” means tobacco has been used four or more times per week on average excluding religious or ceremonial use.
• “Tobacco” means all tobacco products including, but not limited to, cigarettes, pipes, chewing tobacco, snuff, dip, and any other tobacco products regardless of the frequency or method of use.
• “Dependent” means, for the purpose of the Tobacco Use Declaration, only those dependents who are 18 years of age or older.

If you have regularly used tobacco within the past six months, you are subject to the monthly fee as discussed below. For those with single coverage, the fee is $40.00 per month. For those with any dependent coverage (Parent Plus, Couple, Family), even if only one person uses tobacco, the fee is $80.00. You should add either $40.00 or $80.00 to the premium amounts for your level of coverage. The retiree/planholder/beneficiary will be responsible for paying the fee even if they have 100% contribution (retiree with 240 months or greater.)
What You Need to Know for 2018

As soon as you know that you or an eligible dependent will become Medicare eligible, contact the retirement office to discuss your insurance options.

The LivingWell Consumer Driven Health Plan - puts you in more control of managing your health expenses.

Your medical and pharmacy costs apply toward the deductible and maximum out-of-pocket.

Your costs for medications on the preventive therapy drug benefit list bypass the deductible so you only pay the co-insurance amount. See page 22 for more information.

You will receive a pre-funded Health Reimbursement Arrangement (HRA) you can use to pay toward your deductible and maximum out-of-pocket expenses.

How the HRA works

- You will receive a WageWorks® Healthcare Card, that is pre-funded with $500 for single coverage or $1,000 for couple, parent plus, or family coverage levels.
- Use the HRA to help pay for your deductible.
- Use this card at your doctor’s office, hospital, or pharmacy. Simply swipe the card to help pay for your eligible expenses which will be deducted from your card balance.

LivingWell CDHP

Go shopping, earn money. Use Vitals Smartshopper!
The LivingWell Preferred Provider Organization (PPO) is a traditional health plan.

- You will have a higher premium with this plan in exchange for a fixed co-pay for certain services.
- Your co-pays will not apply to your deductible, but will apply to your out-of-pocket maximum.
- You will have a flat co-pay amount for prescriptions.
- Your medical and pharmacy out-of-pocket maximums accumulate separately.

Complete a Biometric Screening

A Biometric Screening is lab work to test your cholesterol and blood glucose, check your blood pressure, and determine your Body Mass Index (BMI) by gathering information about your height, weight, and waist circumference. You will earn up to a maximum of 4,000 Go365 Points and Go365 Bucks for completing a Biometric Screening. You will receive Go365 Points for taking each test (cholesterol, blood glucose, blood pressure), and additional Go365 Bucks for being in healthy ranges.

- You are strongly encouraged to fast for 9-12 hours before your screening.*

Success 1. Cynthia Warner
Cynthia, an educational consultant at Kentucky Educational Television (KET), was diagnosed at an early age with scoliosis, a condition in which the spine curves to the side. As she got older, Cynthia got into fitness and exercise to help improve her posture and overall health. But after giving birth to a child when she was in her 30s, she got out of shape and her scoliosis got worse. So she decided to have surgery. Her surgeon told her she would never be as fit as she was before the surgery.

Cynthia sure proved the surgeon wrong. She started jazzercise to regain her physical strength, energy, spirit and stamina. She also started using the MyfitnessPal app to track her calories and stay active. She turned fat into muscle with jazzercise and lost nearly 32 pounds.

Cynthia credits the Go365 rewards program for keeping her motivated. “I had $325 Amazon dollars to spend on Christmas gifts. It was a win-win for me. I’m shooting for $400 next Christmas.”

Success 2. Shannon Bellamy
Shannon, an employee of the Kentucky Retirement Systems, was overweight and had high blood pressure until she lost 130 pounds in less than two years by taking advantage of KEHP’s wellness benefits. She credits Go365 rewards program for giving her extra motivation to lose weight. Shannon was able to buy several items from the Go365 Mall with the Go365 Bucks she earned through the Go365 program.

She also had a great experience with the Diabetes Prevention Program. Her biggest takeaways from the program were learning that “eating will allow you to lose weight. My first problem was that I wasn’t eating enough and now I eat more than I ever have. I count my calories using MyfitnessPal. I walk more, exercise more and it worked for me.”

Shannon no longer needs blood pressure medicine because of her new healthy journey.

You can check out Shannon’s story at Livingwell.ky.gov on the May 17 Well-Cast video.

Success 3. Bobby Harris
In May of 2016, Bobby Harris weighed 344 pounds. He had many serious health problems including congestive heart failure and high blood pressure. That’s when he made the decision to engage with the Case Management Weight-Loss Program. His case management nurse worked with to him eat healthier, avoid certain foods that impacted his heart and adjust his medications.

These changes really paid off. Since joining the program, Bobby has lost 40 pounds and his blood pressure is now normal. “Case management has saved my life,” said Bobby.

- Refer to the Benefits Grid on pages 28-29 to see the amount you will have to pay for each plan option.

For more information, call CVS/Caremark at 866-601-6934.

All health plans include the Maintenance Drug Benefit.
Diabetes continues to be one of KEHP’s highest cost medical conditions, with more than one million dollars in claims per year. Diabetes is a serious condition and may have serious complications, but many times diabetes can be controlled with regular doctor visits and proper medication adherence. If you have diabetes or are at risk for getting diabetes, KEHP has several programs to help you manage your condition or prevent diabetes. They are:

- The Diabetes Value Benefit to help manage the cost of your diabetes medications and supplies;
- Health plan coverage for Diabetes Self-Management Education (DSME); and
- The Diabetes Prevention Program for members with pre-diabetes.

### Diabetes Value Benefit

Diabetic members will pay a reduced co-pay and co-insurance, with no deductibles, for most all of their maintenance diabetic prescriptions and supplies.

### Diabetes Self-Management Education (DSME)

If you have diabetes, Diabetes Self-Management Education (DSME) is a proven way to learn the many things you need to know to help manage your condition. DSME classes are covered under your health insurance plan, subject to any applicable deductible, co-pay, and co-insurance. These classes provide education on the disease and how it affects your body, including how and why changes in physical activity and eating habits are necessary. Education is key for making lifestyle changes. Evidence shows that DSME programs provide the best chance of helping people make needed changes. You will receive 175 Go365 Points for completing a DSME program. Talk to your doctor today about attending these classes.

### Diabetes Prevention Program (DPP)

If you meet the criteria of pre-diabetes, you may attend DPP classes. These classes help lower your risk of developing Type 2 Diabetes. You may participate in an approved DPP for free, and you can learn how to improve your health through stress reduction, weight loss, and increased physical activity with the support of a certified lifestyle instructor. This proven and successful 16–week course meets once per week for one hour. After 16 sessions, you will receive at least six monthly follow-up sessions to help you stay motivated and maintain a healthy lifestyle. If you enroll in and attend DPP classes, you will receive 350 Points through Go365. Let your lifestyle coach know you are a participating Go365 member and they will take care of the process.

- A son, daughter, stepson, or stepdaughter of the Employee/Retiree, or
- An eligible foster child of the Employee/Retiree (eligible foster child means an individual who is placed with the Employee/Retiree by an authorized placement agency or by judgment, decree, or other order of any court of competent jurisdiction and includes court awards of guardianship or custody), or
- An adopted child of the Employee/Retiree (a legally adopted individual of the Employee/Retiree, or an individual who is lawfully placed with the Employee/Retiree for legal adoption by the Employee/Retiree).

*Documentation* - To add a child: A legible photocopy of the child’s birth certificate showing the name of the Employee/Retiree as a parent, or a copy of the footprint certificate from the hospital indicating baby and parent’s name, or verification of the birth document from the hospital indicating the names of the baby and parent.

To add a step child: A legible photocopy of the child’s birth certificate showing the name of the Employee/Retiree’s Spouse as a parent and a legible copy of the marriage certificate showing the names of the Employee/Retiree and the Spouse or a photocopy of the top half of the front page of the Employee/Retiree’s most recent federal tax return (Form 1040).

Legal Guardian, Adoption, or Foster Child(ren): Legible photocopies of court orders, guardianship documents, or affidavits of dependency, with the presiding judge’s signature and filed status; or legible adoption or legal placement decrees with the presiding judge’s signature.

**DISABLED DEPENDENT** - A Dependent child who is totally and permanently disabled may be covered by KEHP beyond the end of the month in which he/she turns 26, provided the disability (a) started before his/her 26th birthday and (b) is medically-certified in writing by a physician. A Dependent child will be considered totally and permanently disabled if, in the judgment of KEHP’s medical Third Party Administrator (Anthem), the written certification adequately demonstrates that the Dependent child is unable to engage in any substantial gainful activity by reason of medically determinable physical or mental impairment that can be expected to result in death or that has lasted or can be expected to last for a continuous period of not less than 12 months. A Dependent child who is not already covered by KEHP at the time of his/her 26th birthday may not later be enrolled in KEHP on grounds of total and permanent disability unless and until he/she sustains a loss of other insurance coverage. In such a case, a request to enroll a Dependent child in KEHP on grounds of total and permanent disability must be made no later than 35 calendar days following the loss of other insurance coverage.

*Documentation* - Anthem certifies all disabled Dependents based on medical necessity and Member’s financial responsibility for the Dependent. Contact the Enrollment Information Branch at 502-564-1205 for more information. Dependents under age 26 will be enrolled by EIB as a disabled Dependent and Anthem will initiate disabled Dependent certification process. Dependent over age 26, EIB receives request from Member based on loss of other insurance coverage and requests Anthem to initiate disabled Dependent certification process.
Health Insurance
KEHP is operated as a federally regulated, Section 125 Cafeteria Plan. In exchange for this benefit, there are only three times you can change your benefit elections during the plan year:
• During the enrollment period when you first become eligible for benefits;
• During the annual Enrollment period; or
• If you experience a life event, referred to as a Qualifying Event.

WHAT IS A QUALIFYING EVENT?
• Marriage
• Having or adopting a child
• Divorce
• Loss of other group health insurance
• Legal guardianship or court order
• Spouse has a different Open Enrollment period

When you have a Qualifying Event
In all cases, any change in your plan option or coverage level must be consistent with the qualifying event. For most events, you must complete a Health Insurance Qualifying Event Form and submit it to your Insurance Coordinator or Human Resource Generalist within 35 calendar days of the event date. If you have a baby or adopt a child, you have 60 calendar days to add the child to your plan. If you are adding additional dependents along with the baby or adopted child, then you have 35 calendar days. You must submit dependent eligibility documentation, such as a marriage license or birth certificate, together with your Qualifying Event Form.

Qualifying events are complicated and, at times, difficult to understand. There are restrictions on the types of changes you may make due to federal qualifying event rules. If you do not sign and date the required form in a timely manner, you will not be permitted to revise your coverage election until the next Enrollment period.

For more details, see our Qualifying Events booklet. For additional information about qualifying events, call our KRS office for the appropriate forms for your particular Qualifying Event. (502) 696-8800 or toll free (800) 928-4646.

Notes: The boxed areas of the grid are components of each plan most often used by members when choosing a plan option, but are not all inclusive. **You can refer to the Summary of Benefits and Coverage (SBC) for more information.** KEHP has made every attempt to ensure the accuracy of the benefits outlined in this Benefits Grid. However, if an error has occurred, the benefits outlined in the 2018 Summary Plan Descriptions (SPDs) and Medical Benefit Booklets will determine how benefits are paid. Benefits are subject to the terms, conditions, limitations and exclusions set forth in the SPDs.

*Co-pays do not accumulate toward the deductible, but they do accumulate toward the applicable out-of-pocket maximum.

**For the LivingWell CDHP and the Standard CDHP, all covered expenses apply to the out-of-pocket maximum. For the LivingWell PPO and the Standard PPO plans, the out-of-pocket maximum accumulates separately and independently for medical and prescription drug benefits.

***Certain diabetic drugs are subject to reduced co-pays and co-insurance with no deductibles. A 90-day supply of maintenance drugs is subject to lower co-pays and co-insurance. Select preventive/maintenance therapy drugs bypass the deductible on both CDHPs.

**** Claims are processed based on provider billing type which may include separate charges from a lab performing services outside of the doctor’s office visit.
**KEHP Tobacco Use Declaration**

**KEHP TOBACCO USE DECLARATION**
The Commonwealth of Kentucky is committed to fostering and promoting wellness and health in the workforce. As part of KEHP's LivingWell wellness program, KEHP offers a monthly discount in premium contribution rates for non-tobacco users. You are eligible for the non-tobacco-user premium contribution rates provided you certify, during the health insurance enrollment process, that you or any other person over the age of 18 to be covered under your plan has not regularly used tobacco within the past six months. “Regularly” means tobacco has been used four or more times per week on average excluding religious or ceremonial uses. “Tobacco” means all tobacco products including, but not limited to, cigarettes, pipes, chewing tobacco, snuff, dip, and any other tobacco products regardless of the method of use. “KEHP Health Insurance Enrollment Application” refers to any method of enrolling in KEHP health insurance coverage including submitting a paper application, completing and submitting an application online, or enrolling in KEHP health insurance coverage through an online enrollment system.

Whether you complete your KEHP health insurance enrollment online or submit a paper application, you are required to certify that all attestations regarding tobacco use are accurate. By completing the enrollment process, you certify the following:

1. I have truthfully answered all questions in my KEHP Health Insurance Enrollment Application regarding tobacco use by me, my spouse, and my dependents 18 years of age and over. My KEHP Health Insurance Enrollment Application accurately reflects the use of tobacco products in the past six months regarding myself and persons to be covered as a spouse or dependent under my insurance plan.

2. I understand that the tobacco-user premium contribution rates will apply beginning January 1, 2018, if I answered “Yes” to any of the questions in the Tobacco Use Declaration section of my KEHP Health Insurance Enrollment Application.

3. I understand that it is my responsibility to notify KEHP of any changes in my tobacco-use or that of my spouse or a dependent covered under my insurance plan, including notification to KEHP if all tobacco users become ineligible for coverage or are otherwise terminated during the Plan Year. Notification shall be made by completing a Tobacco Use Change Form.

4. I understand that if I or a spouse or dependent to be covered under my insurance plan currently use tobacco products and stop using tobacco products during the Plan Year, I will be eligible for the discount non-tobacco premium contribution rates on the first day of the month following the signature date on the Tobacco Use Change Form certifying that neither I nor my spouse/dependent(s) regularly used tobacco products during the six months prior to completion of the Tobacco Use Change Form. Both cross-reference planholders must sign the Tobacco Use Change Form.

5. I understand that if I answered “No” to the questions in the Tobacco Use Declaration section of my KEHP Health Insurance Enrollment Application, and either I or a spouse or dependent covered under my insurance plan become a regular tobacco user at any time, I must notify KEHP and my contribution rates will be adjusted to the tobacco-user premium contribution rates on the first day of the month following the signature date on the Tobacco Use Change Form.

6. I understand that the Tobacco Use Declaration is a part of my KEHP application for health insurance coverage. Any person who knowingly, and with the intent to defraud, files an application for insurance containing any materially false information, or who conceals, for the purpose of misleading, information concerning any fact material to the application, commits a fraudulent insurance act which is a crime.

7. I understand that if I fail to complete the Tobacco Use Declaration truthfully, KEHP may adjust my contribution rates retroactively to apply the applicable higher tobacco-user premium contribution rates. Upon written notification, I will pay to KEHP the difference between the tobacco-user and the non-tobacco user premium contribution rates for the period for which I falsely certified eligibility for the non-tobacco user premium contribution rates.

8. The KEHP offers monthly discounted premium contribution rates to non-tobacco users as a part of its LivingWell wellness program. Each KEHP member has at least one opportunity per Plan Year to qualify for the discount. KEHP is committed to helping you achieve your best health. Rewards for participating in a wellness program are available to all employees. If you think you might be unable to meet a standard for a reward under this wellness program, you might qualify for an opportunity to earn the same reward by different means. Contact the Department of Employee Insurance at (888) 581-8834 or (502) 564-6534 and we will work with you (and, if you wish, with your doctor) to find a wellness program with the same reward that is right for you in light of your health status.
KEHP Terms and Conditions

KEHP TERMS AND CONDITIONS

Below are the Terms and Conditions for participation in group life and health insurance coverage administered by the Department of Employee Insurance (DEI).

An Employee/Retiree may affix a signature to a paper copy of the KEHP Health Insurance Enrollment Application, the Group Life Insurance Application, or an electronic version of the applications. By typing your name on an electronic application or by logging in and using your unique KHRIS User ID and enrolling through the Employee Self-Service portal, you are agreeing to conduct enrollment in life and/or health insurance coverage by electronic means, thereby creating a legal and binding contract. By affixing your signature in either manner, you understand and agree that:

A. PLAN YEAR. The 2018 Plan Year begins January 1, 2018, and ends at midnight on December 31, 2018.

B. EFFECTIVE DATE OF ELECTIONS. If you are electing a health plan or enrolling in optional life insurance or a Flexible Spending Account (FSA) during enrollment, the FSA and your health and life insurance will be effective January 1 of the following Plan Year. If you are a new employee or a newly eligible employee electing a health plan or enrolling in optional life insurance or an FSA outside of enrollment, the FSA and your health and life insurance will be effective the first day of the second month after a new employee or newly eligible employee is eligible to enroll. Employees enrolling in life insurance must be actively at work, full time, on the day the employee’s insurance is scheduled to begin.

C. PLAN INFORMATION. You have read and understood the 2018 Benefits Selection Guide (BSG). Plan rules and limitations are contained in the KEHP Summary Plan Descriptions (SPD) or Medical Benefit Booklets (MBB) and the Summary of Benefits and Coverage (SBC). Life insurance rules and limitations are outlined in the Certificate of Coverage (CoC). All benefits for your eligible dependents and you will be provided in accordance with the rules and limitations in the SPDs, MBBs, SBCs, and CoC. You will abide by all terms and conditions governing participation, membership, and receipt of services from the plan(s) in which you have enrolled and as set forth in the SPD, MBB, and CoC. In the event of a conflict between the terms of coverage stated in the SPDs, the MBBs, the BSG, the SBCs, and the CoC, the terms of coverage stated in the SPDs or MBBs and CoC will govern.

D. THIRD PARTY ADMINISTRATORS. DEI uses third parties, including Anthem, CVS/caremark, WageWorks, Go365, Vitals, and Nationwide Life Insurance Company to provide certain administrative functions. DEI may communicate with you directly or through these third parties about your insurance coverage, your benefits, or health-related products or services provided by or included in KEHP’s health plans or KGLI plans.

E. CROSS-REFERENCE. If your spouse and you elect the cross-reference payment option, you are planholders with family coverage, and upon a loss of eligibility by either spouse, the remaining planholder will default to a parent plus coverage level. The cross-reference payment option ceases upon loss of eligibility or employment by either spouse/planholder.

F. DEPENDENT ELIGIBILITY. You certify that each enrolled dependent meets KEHP’s dependent eligibility requirements as set forth in the SPD and MBB (health) and the CoC (life). DEI may require supporting documentation to verify the eligibility of any dependent enrolled or requesting to be enrolled in benefits.

G. CHANGING ELECTIONS. The elections indicated by your KEHP Health Insurance Enrollment Application, Group Life Insurance Application, or online enrollment may not be changed or cancelled during the Plan Year without a permitted Qualifying Event.

H. DEDUCTION FROM EARNINGS. When you enroll in an FSA, optional life insurance, and health insurance, you authorize your employer to deduct from your earnings the amount required to cover your employee contribution to the FSA, your employee contribution to health insurance, and your life insurance premium, including any arrears you may owe. Deductions for FSA and the employee contributions to health insurance are made on a pre-tax basis unless you sign a Post-Tax Request Form. Deductions for life insurance premiums are made on a post-tax basis.

I. PRIORITY OF PAYMENTS. Any moneys submitted to DEI that you intend to be used to fund your FSA, pay for your health insurance premium contribution, or pay for your optional life insurance coverage, may first be used to pay other priority debts that may be due and owing, such as taxes and child support.

J. DEPENDENT CARE FSA. If you choose a Dependent Care FSA, you are eligible to seek reimbursement, as authorized by 26 U.S.C. Sections 21 and 129, for dependent care expenses. The Dependent Care FSA may only reimburse eligible dependent care expenses that are incurred during the applicable coverage period.

K. FSA CARRYOVER. Unused amounts of $50 and up to a maximum of $500.00 remaining in your Healthcare FSA at the end of the Plan Year will carry over to the next Plan Year and may be used to reimburse you for medical expenses that are incurred during the subsequent Plan Year.

L. WAGEWORKS HEALTHCARE CARD. WageWorks will administer FSAs and HRAs for the 2018 Plan Year and will issue a WageWorks Healthcare Card to you for the payment of Healthcare FSA and HRA expenses. Your WageWorks Healthcare Card will be suspended if requested claim verification is not sent to WageWorks within ninety (90) days after the card swipe. You agree to follow all rules and guidelines established by the Plan concerning the WageWorks Healthcare Card. The Plan reserves the right to deny access to the card, require repayment, deduct/withhold from your paycheck, and offset your Healthcare FSA or HRA if you fail to verify a claim.

M. WAIVING HEALTH INSURANCE COVERAGE. If you elect to waive KEHP health insurance coverage, with or without a Waiver Health Reimbursement Arrangement (HRA), you are doing so voluntarily. If your employer participates in the Waiver HRA program, there are two options available: the Waiver General Purpose HRA and the Waiver Dental/Vision Only HRA. You understand that you will be eligible for the Waiver General Purpose HRA only if you have other group health plan coverage. You further understand that your spouse and eligible dependents, if applicable, cannot be covered under the Waiver General Purpose HRA unless your spouse and dependents also have other group health plan coverage.
KEHP Terms and Conditions

N. WAIVER GENERAL PURPOSE HRA RULES. If you elect a Waiver General Purpose HRA, you declare that you and your spouse and dependents, if applicable, are enrolled in another group health plan that provides minimum value. A “group health plan” refers to coverage provided by an employer, an employer organization, or a union. A “group health plan” does not include individual policies purchased through the Marketplace or governmental plans such as TRICARE, Veteran’s Benefits, Medicare, or Medicaid. A group health plan that provides “minimum value” means the plan pays at least 60% of the total allowed cost of covered benefits/services and participants or members in the plan are required to pay no more than 40% of the total allowed cost of covered benefits/services. If you elect a Waiver General Purpose HRA and cease to be covered under another group health plan that provides minimum value, you agree to notify KEHP within 35 days of the date that the other group health plan coverage ceased. In this event, coverage under the Waiver General Purpose HRA will be terminated and you may elect a KEHP health insurance plan option or the Waiver Dental/Vision Only HRA. You are permitted to permanently opt out of and waive future reimbursements from the Waiver General Purpose HRA at least annually at enrollment.

O. HRA CARRYOVER. Unused amounts up to and including $7,500 remaining in your HRA at the end of the Plan Year may be carried over to the next Plan Year provided you are eligible to elect an HRA. You must elect the same type of HRA in a subsequent Plan Year for the funds to carry over.

P. WAIVER HRA FUNDS AFTER TERMINATION. You may use funds remaining in a Waiver HRA after termination to reimburse you for eligible expenses incurred during the coverage period and prior to termination of the Waiver HRA. Upon termination of employment, the remaining amounts in a Waiver HRA are forfeited, except that you may be reimbursed for any eligible medical expenses incurred prior to the last day of the last pay period worked, provided that you file a claim by March 31 following the close of the Plan Year in which the expense was incurred.

Q. HRA AND FSA EXPENSE REIMBURSEMENT. An HRA and/or Healthcare FSA may only reimburse you for medical expenses, as authorized by 26 U.S.C. Sections 105(b) and 213(d), that are incurred during the applicable coverage period. The Waiver Dental/Vision Only HRA may only reimburse you for eligible dental and vision expenses. Pursuant to federal law, the cost of over-the-counter medicines (other than insulin and those prescribed by a doctor) may not be reimbursed through your HRA or Healthcare FSA.

R. HRA AND FSA RUN-OUT PERIOD. You have a 90-day run-out period (until March 31) for reimbursement of eligible FSA and HRA expenses incurred during the period of coverage.

S. MINIMUM ESSENTIAL COVERAGE. KEHP provides plan options that, under the Affordable Care Act, constitute minimum essential coverage that is affordable and provides a minimum value. As such, by receiving an offer of coverage through your employer, you are not eligible for a health insurance premium tax credit if purchasing insurance through the Marketplace. In addition, if you decline coverage for your spouse or dependent, your spouse or dependent will not be eligible for a health insurance premium tax credit if purchasing insurance through the Marketplace.

T. COORDINATION OF KEHP HEALTH PLANS AND MEDICARE COVERAGE. The four KEHP plan options and the Waiver General Purpose HRA must pay primary to Medicare. The Waiver Dental/Vision Only HRA pays secondary to Medicare.

U. TOBACCO USE DECLARATION. You have reviewed the KEHP Tobacco Use Declaration and have truthfully answered all questions in your KEHP Health Insurance Enrollment Application regarding tobacco use by you, your spouse, and your dependents over the age of 18.

V. LIVINGWELL PROMISE. KEHP’s LivingWell wellness program includes the KEHP LivingWell plan options. If you choose one of the KEHP LivingWell plan options, you agree to fulfill a LivingWell Promise. Federal law allows KEHP to reward members who participate in the LivingWell wellness program. For members who choose a LivingWell plan option, the reward includes premium discounts for those who fulfill the LivingWell Promise.

- If you enrolled in a LivingWell plan option for 2017 and you fulfilled your LivingWell Promise, you will receive a monthly premium discount of $40.00 if you enroll in a LivingWell plan option for 2018. If you enrolled in a LivingWell Plan option for 2017 and you did not fulfill your LivingWell Promise, you will not receive a monthly premium discount of $40.00 if you enroll in a LivingWell plan option for 2018.
- If you enroll in either the LivingWell CDHP or LivingWell PPO plan options for 2018, you must complete (1) an online Go365 Health Assessment; OR (2) a Biometric Screening between January 1, 2018, through July 1, 2018.
- If you are a new employee and you choose a LivingWell plan option outside of enrollment, you must complete the Health Assessment OR Biometric Screening within 90 days of your coverage effective date.

W. HIPAA. You have rights under HIPAA regarding the protection of your health information. KEHP will comply with the HIPAA Privacy and Security rules, and uses and disclosures of your protected health information will be in accordance with federal law. KEHP may use and disclose such information to business associates or other third parties only in accordance with KEHP’s Notice of Privacy Practices available at kehp.ky.gov.

X. FRAUD WARNING. Any person who knowingly, and with the intent to defraud, files an application for insurance containing any materially false information (including a forged signature or incorrect signature date), or conceals, for the purpose of misleading, information concerning any fact material thereto, commits a fraudulent insurance act which is a crime. You can be held responsible for any fraudulent act that you could have prevented while acting within your duties related to obtaining employer-sponsored health and life insurance, and it may be used to reduce or deny a claim or to terminate your coverage. Information contained in your life insurance benefit elections, if incorrect or misleading, may void the policy effective as of the date of issuance.

Y. ACKNOWLEDGMENT. You have fully read these Terms and Conditions, the KEHP Legal Notices, and the KEHP Tobacco Use Declaration. Your signature on the KEHP Health Insurance Enrollment Application, the Group Life Insurance Application, or your electronic signature used for online enrollment certifies that all information provided during this enrollment opportunity is correct to the best of your knowledge.

Z. EXCEPTIONS MAY APPLY. Exceptions may apply to employees of certain employers participating in KEHP and the Commonwealth’s group life insurance benefits. Exceptions may also apply to KTRS, KRS, LRP, and JRP retirees. Please refer to the participation rules of your employer or retirement system for further information.
KEHP Legal Notices

As a member of the Kentucky Employees’ Health Plan (KEHP), you have certain legal rights. Several of those rights are summarized below. Please read these provisions carefully. To find out more information, you may contact the Department of Employee Insurance, Member Services Branch (at (888) 581-8834 or (502) 564-6534) or kehpy.gov.

A. NOTICE ABOUT SPECIAL ENROLLMENT RIGHTS

Under the Health Insurance Portability and Accountability Act (HIPAA), you have “special enrollment rights” when you lose eligibility for another coverage or you gain a new dependent. In addition, you may qualify for a special enrollment right in KEHP under the Children’s Health Insurance Program Reauthorization Act of 2009 (CHIPRA).

1. HIPPA Special Enrollment Provision – Loss of Other Coverage.

If you lose eligibility for another coverage (including your spouse’s) because of other health insurance or group health plan coverage (regardless of whether the coverage was obtained inside or outside of a Marketplace), you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for the other plan or the other stop payment is triggered (including your dependents’ other coverage). However, you must request enrollment within 35 days after your or your dependents’ other coverage ends (or after the employer stops contributing toward your dependents’ other coverage). However, you must request enrollment within 35 days after your or your dependents’ other coverage ends (or after the employer stops contributing toward your dependents’ other coverage).

2. HIPPA Special Enrollment Provision – New Dependent as a Result of Marriage, Birth, Adoption, or Placement for Adoption.

If you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may request enrollment for your new dependent within 35 days after the date that the other group health plan coverage ceased. In this event, you must request enrollment within 35 days after the date the other group health plan coverage ceased. In this event, you must request enrollment within 35 days after the date the other group health plan coverage ceased.

3. CHIPRA Special Enrollment Provision – Premium Assistance Eligibility.

If you or your children are eligible for Medicaid or the Children’s Health Insurance Program (CHIP) and you’re eligible for health coverage from your employer, Kentucky may have a premium assistance program that can help pay for coverage using funds from the state, Medicaid or CHIP programs. If you’re eligible for premium assistance under Medicaid or CHIP, as well as eligible for health insurance coverage through KEHP, your employer must allow you to enroll in KEHP if you aren’t already enrolled. This is a “special enrollment” opportunity for you to enroll in health insurance during the 35 days following the date you are determined eligible for premium assistance. In some cases, you may enroll in KEHP if you or your dependent’s Medicaid or CHIP coverage is terminated because of loss of eligibility. An enrollment opportunity must remain open for 35 days from the date of the loss of coverage. You can find more information and the required CHIP notice at kehpy.gov.

B. WELLNESS PROGRAM DISCLOSURE

LivingWell is KEHP’s voluntary wellness program available to all KEHP members. The program is administered by a third party called WellFirst Services, LLC. This wellness program is designed to help you make changes to improve your health and health habits that seek to improve employee health or prevent disease. Those federal rules include the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others. As a member of KEHP, you may participate in the KEHP’s LivingWell wellness program. Disclosure of your personally identifiable health information to these persons that provide as part of participating in the LivingWell wellness program, nor may you be subjected to retaliation if you choose not to participate.

F. HIPPA PRIVACY NOTICE

KEHP collects and shares demographic information about its members such as name, address, and social security numbers. This information is referred to as individually identifiable health information (IIHI) defined by HIPAA. KEHP’s Privacy Practices Policy includes the following provisions regarding your rights to access, amend, restrict, and limit disclosure of your IIHI. To help you make an informed health coverage choice, KEHP publishes a Summary of Benefits and Coverage (SBC) for each of its health plans. KEHP is committed to helping you achieve your best health. Incentives for participating in the LivingWell wellness program will receive an incentive in the form of discounted employee premium for employees who participate in certain health-related activities such as walking challenges or other health-related activities such as completing a Biometric Screening, which will include a blood test to check your cholesterol and blood glucose levels. You are not required to complete the HA or participate in the Biometric Screening or any other medical examination to receive premium contributions for health insurance coverage. Although you are not required to complete the HA or participate in the Biometric Screening, only employees who do so will receive the discounted health insurance premiums.

C. THE CONSOLIDATED OMNIBUS BUDGET RECONCILIATION ACT OF 1986 (COBRA)

Group health plans generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother’s or newborn’s attending provider, after consulting with the mother, from discharging the mother or newborn child to less than 48 (or 96, as applicable) hours. In any case, plans may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for describing a length of stay not in excess of 48 (or 96) hours.

H. NOTICE OF AVAILABILITY OF SUMMARY OF BENEFITS AND COVERAGE (SBC)

As an employee or retiree, the health benefits available to you represent a significant portion of your total compensation. Those benefits also provide important protection for you and your family in the case of illness or injury. KEHP offers a variety of health coverage options, and choosing the option that is right for you and your family is an important decision. To help you make an informed health coverage choice, KEHP publishes a Summary of Benefits and Coverage (SBC). For easier comparison, the SBC summarizes important information about your health coverage options in a standard format. The SBCs are only a summary. You should consult KEHP’s Summary Plan Descriptions and/or Medical Benefit Booklet to determine the total cost of benefits, copayments, deductibles, and out-of-pocket expenses. You may obtain a SBC for KEHP’s health plans at kehpy.gov. A paper copy is also available, free of charge, by contacting the Department of Employee Insurance, Member Services Branch at (888) 581-8834 or (502) 564-6534.

G. PLAN YEAR 2018 KEHP PRESCRIPTION DRUG COVERAGE AND MEDICARE NOTICE OF CREDIBLE COVERAGE

It is determined that KEHP’s prescription drug coverage is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage is and therefore considered Credible Coverage. Because your existing coverage is Credible Coverage, you can keep this coverage and pay not a higher premium (a penalty) if you later decide to join a Medicare plan.

J. MARKETPLACE COVERAGE OPTIONS

Due to the Tax Cuts and Jobs Act of 2017, the Marketplace coverage options introduced in 2014 are available again for tax year 2018. KEHP participates in the Marketplace as an issuer of qualified health plans (QHPs). As an issuer of qualified health plans, KEHP is required to disclose the Summary of Benefits and Coverage for each of its qualified health plans. KEHP is permitted to permanently opt out of and waive future reimbursements from the Waiver General Purpose HRA will be terminated, and the employee may elect a KEHP General Purpose HRA, if the participant ceases to be a “special enrollment” opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. In any case, plans may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for describing a length of stay not in excess of 48 (or 96) hours.

To help you make an informed health coverage choice, KEHP publishes a Summary of Benefits and Coverage (SBC). Children Eligible for Coverage and Premium Contributions: For Plan Year 2018, the spouse and each dependent child of retired hazardous members of KERS, CERS, and SPRS, as well as some disabled members, may be eligible to receive an insurance contribution based upon the retired member’s service. Pursuant to KRS 16.505(17), “Dependent child” means a child in the womb and a natural or legally adopted child of the member who has neither attained age eighteen (18) nor married or who is an unmarried full-time student who has not attained age twenty-two (22). (See 105 KAR 1:410). Retired members with children who do not meet this definition may be able to cover their children under the KEHP plan, but will not receive a contribution amount toward the coverage of those children.

Establishing Eligibility: To establish your child’s eligibility for the hazardous contribution toward health insurance for 2018, you must certify the child’s eligibility on a completed Form 6256, Designation of Spouse and/or Dependent Child for Health Insurance. This certification form must be completed annually to receive the contribution. If you submit the required certification and your child is an eligible “dependent child” pursuant to KRS 16.505(17), the contribution will be made for the applicable plan year. Additionally, you must certify that you will immediately provide KRS written notification when your child no longer qualifies. You will be required to reimburse KRS for premiums paid if you make a false or incorrect certification that a child meets the eligibility requirements or if you fail to immediately notify KRS when a child no longer meets the eligibility requirements.

Children Eligible for Coverage: Pursuant to the Affordable Care Act, children are eligible to remain covered by the parent or guardian’s health insurance until the first day of the month following their 26th birthday regardless of marital status. Step-children, foster children, and children for whom you have been named guardian may also remain on the plan until the first day of the month following their 26th birthday. (In some cases, disabled dependents can be carried past their 26th birthday.)

Spousal Coverage: If your spouse has health insurance under your account, a Form 6256, Designation of Spouse and/or Dependent Child for Health Insurance must be completed and submitted to KRS before the beginning of each plan year, or immediately following a qualifying event, for your spouse to receive the hazardous contribution toward health insurance for that plan year. If you divorce a spouse who is covered by health insurance under your KRS account, you must notify our office promptly. An ex-spouse is not eligible to remain on your plan. You must submit a new health insurance application with your ex-spouse removed (or a signed written statement to completely cancel a plan) to this office as soon as the divorce is final. A copy of the Dissolution of Marriage must be provided to KRS as soon as that is available. Without proper notification and documentation, you will be required to reimburse KRS for premiums paid on behalf of an ex-spouse who is no longer eligible for health insurance under your account.
