Certification of Medical and Employment Information

I, _____, hereby certify that the employment information provided on this form and the attached medical information are true, correct, accurate, and complete, meaning the attached information consists of **all** the existing medical information regarding the bodily injury, mental illness, or disease for which I was approved for disability retirement benefits since the date I was approved for disability retirement benefits or since my last employment and medical staff review. I further certify that this form and the attached medical information are complete and ready to be reviewed by the medical staff.

I am aware that, pursuant to KRS 61.610 and 78.5526, I am responsible for filing supporting medical information to report my current physical and mental condition. I am also aware that by signing this certification, I am certifying to Kentucky Public Pensions Authority that the enclosed medical records represent **all** the evaluations, examinations, and treatment I have had for the bodily injury, mental illness, or disease for which I was approved for disability retirement benefits, including all reports of diagnostic medical testing performed on me. Written statements from medical providers alone are not medical information unless accompanied by supporting records as discussed in this paragraph.

I am aware that if I have been employed (including work in any capacity, paid or unpaid, such as self-employment, part-time, on-call, seasonal, occasional, and volunteer work) since the date I was approved for disability retirement benefits or since my last employment and medical staff review, I must also attach a Form 8130, Disability Retiree Employment Reporting, even if the position has been previously approved by Kentucky Public Pensions Authority.

I further acknowledge that if I knowingly submit or cause to be submitted a false or fraudulent claim for the payment or receipt of benefit, I may be liable for repayment of benefits I was not entitled to receive, but also liable for civil payments, legal fees, and costs.
